In our audit report for the year ended 31 March 2019 issued on 4 October 2019 we reported that, on the basis of our work, we are satisfied that the Authority put in place proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ending 31 March 2019.

Certificate

In our report dated 4 October 2019, we explained that we could not formally conclude the audit on that date until we had:

- issued our report on the consistency of the pension fund financial statements included in the Pension Fund Annual Report of the London Borough of Lewisham pension fund with the pension fund financial statements included in the Statement of Accounts. Our opinion has now been issued.
- completed the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement for the year ended 31 March 2019. We have now completed this work.
- completed our consideration of objections brought to our attention by local authority electors under Section 27 of the Local Audit and Accountability Act 2014. These matters have now been dealt with.

No matters have come to our attention since that date that would have a material impact on the financial statements on which we gave an unqualified opinion and conclusion on the Authority's arrangements for securing economy, efficiency and effectiveness in its use of resources.

We certify that we have completed the audit of the financial statements of London Borough of Lewisham in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office on behalf of the Comptroller and Auditor General.
